

Partners Insight

Boardroom Prophets is pleased to welcome you to the first Partners Insight, where we will keep you informed of the plans, activities and progress. God gave us the vision for a group that would support Christian business owners and directors and bring His Wisdom to their boardrooms in Australia and around the world.

To achieve this, we believe that we have been given the mission to go out and establish a network of Boardroom Prophets groups that meet regularly to have communion with each other and have an encounter with the Lord for His Wisdom and guidance in their lives and businesses.

Glory to God

We are pleased to report that the network of Boardroom Prophets gatherings continues to grow. We now have groups meeting in Alfreton Derbyshire in England and Nairobi in Kenya

We have also been invited to present a "Battle for your Business" course for group of small Christian business owners later in the year in Nairobi Kenya.

This is especially exciting given the potential contribution it could make to their community. The "Battle for Your Business" spiritual business growth program will be linked in to the Boardroom Prophets gathering to enable an empowering of the Kenyan business leaders

We are asking our supporters to join us in seeking Gods provision for the finances of the Boardroom Prophets group.

Nairobi 2010

Through the Christians In Business initiative, contact was received from David Tanki about the potential for us to help the Kenyan Christian business leaders to grow and be blessed by our creator.

The Nairobi Boardroom prophets was amazing and God moved in a miraculous way to speak to His people in the BRP gathering. I am amazed how He gives His grace via His Holy spirit to have an encounter with Him. **Continued on Page 2...**

Nairobi 2010 – continued

What do you think God can do with a group of senior business leaders in Nairobi who can hear from Him?

We are offering people who believe this is the way God wants us to move to come along side and financially partner with our program which is planned to go to further in Africa and Europe later this year.

We have platinum, gold and silver levels available to help people to easily become involved. These levels will have a number of benefits to the partners in addition to the business ministry in Kenya. Including listing on the web site and special background partner information. Please see the “next step” and “Partners of Boardroom prophets” drop down menu on the main web site.

BRP on the Internet

In the July issue the Boardroom Prophet’s website was highlighted as provides some great facilities for the group to simplify the sharing of information, event planning and coordination.

Members and supporters of Boardroom Prophets are invited to come to the website and make use of the resources and capabilities to share their thoughts and the fruits of the discernment they have benefited from.

The automated booking system for Boardroom Prophets gatherings has been extended to help the facilitation of the local BRP groups

Now that everyone has web access and is at least able to browse the internet we using a system that links with the easy to use Pay Pal accounts system.

www.boardroomprophets.com which has a booking and payment system together with forums and publications of relevance to the BRP network.

Members encouragement and feedback

Every Gathering we have had so far has produced an exciting encounter with God and His Holy spirit. The use of the specific recording process enables the recording of the words from God.

One UK group member said “Just dropping you a line to say thank you for last night. I think it was a new thing for me and for other people although people were quite open about where they were in their businesses “

The attendees at the Nairobi Gathering had a significant outcome and hearing from God with the response that everyone hear a specific word from God for themselves and their business.
